Things to Know Before Getting Started

- Army soldiers may access ArmyIgnitED using the following link: https://www.armyignited.army.mil/
- All soldiers **must** create a new ArmyIgnitED login ID to request TA.
- Soldiers should add their AMU Student ID to ArmyIgnitED profile so that information can be easily discovered.
- A Common Access Card (CAC) is required to log into the ArmyIgnitED Portal.
- Please use Chrome, Edge, or Firefox. Of note, you may experience issues accessing the portal from a government computer.
- An Evaluated Degree Plan (EDP) is required to be uploaded to ArmyIgnitED. You may access your EDP from your AMU Academic Plan or by selecting the "Register Now" button. At the top of your Academic Plan, please find the Download Degree Plan link and save this document to upload to ArmyIgnitED. Once your Army Education Counselor has approved your Education Path, you will be able to request Tuition Assistance (TA) for courses outlined on your EDP.
 - O Please Note: Your Transfer Credit Evaluation (TCE) should be completed prior to uploading your EDP.
- All requests for Tuition Assistance must be made in ArmyIgnitED earlier than 60 days and no later than 7 days before the
 course start date.
 - Approvals for TA may be processed within **7 days** of the course start, but your request to use TA for the course must be in place in ArmyIgnitED **7 days** prior to the course start.
 - o Please be sure to enroll at AMU in the course you wish to request TA prior to **7 days** before the course start.
- Students enrolled in a Courses for Transfer program: Soldiers will need to create a Special Program path if you are enrolling
 in courses to fulfill IPAP or AMEDD requirements. Your IPAP or AMEDD documentation will need to be uploaded in place
 of an Evaluated Degree Plan. TAR's will be approved so long as you do not change home schools.
- Army Tuition Assistance is capped at 16 credit hours or \$4,000 per Fiscal Year (1 October 30 September).
- AMU invoices the Army once all courses in your start month have passed the 19% completion threshold, meaning invoicing
 typically occurs about 30 days after the course start date.
- Approved Military Tuition Assistance does not constitute a payment being received; TA approvals are only a promise for the
 Army to pay. The Army will not pay fiscal funds to a university until after they have been invoiced. Upon receipt of an invoice,
 the service branch can take 30 90 days to perform payment of fiscal funds to a university.
- Military Tuition Assistance approvals can be requested up to 60 days prior to the course start date
- All changes to course enrollments (Drops or Withdrawals) must occur within your AMU eCampus.
- Students must indicate that they are a current active member of the US Military and are serving in the US Army (Active Duty, National Guard, or Reservist) in their student profile for AMU.
- Once your TA has been approved by your Army Education Counselor, the TA request (TAR) will be electronically submitted to AMU. Your TA request will be automatically processed at AMU. If you have completed the TAR electronically, you will not need to submit a TA document to AMU.
- Your official grade report will be accessible from the eCampus after your grade(s) post.
- Soldiers should review the "Explore My Options" section on the ArmyIgnitED dashboard to search degree programs, academic institutions, and explore careers using the Career Path Decide tool.

FAQ's

American Public University System

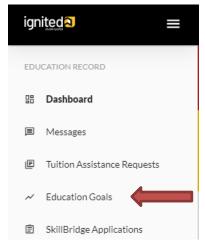

Step One: Create an ArmyIgnitED Student User Account

The first step to using the ArmyIgnitED portal is to establish an <u>ArmyIgnitED</u> student account. Before your start, you must have access to your military email, a CAC Card Reader, and reliable internet. If you do not have access to your military email and/or reliable internet, you may have difficulty creating your ArmyIgnitED User Account. Once you have an account established, you will need to create an education goal.

Step Two: Create an Education Goal

After creating an <u>ArmyIgnitED</u> account, it is time to set up an education goal. Your Education Goal should be your <u>current</u> degree goal with AMU. Please select your current degree level goal, your institution name (American Military University), and the degree program you are currently attending. All the degree programs for AMU have been uploaded into the ArmyIgnitED portal, so please select only the program that you are currently enrolled. Prior to completing this step, please ensure that you have downloaded and saved a copy of your AMU Degree Plan document, as you will need to upload this in this step. Please refer to the screenshots below regarding Creating an Education Goal. **Please Note:** Your Transfer Credit Evaluation (TCE) should be completed prior to uploading your EDP.

Masters Degree N/A

Please Note: If the desired education goal is listed as N/A, you must have this goal updated by an Army Education Counselor

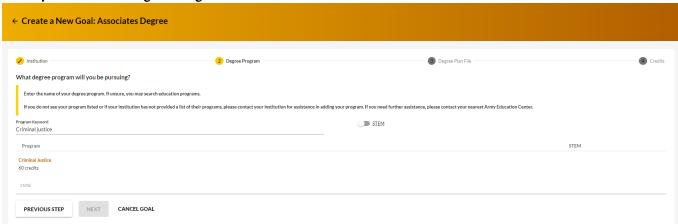

Complete American Military University for "Institution" and "Institution Student ID (AMU Student ID)" then click "Next"

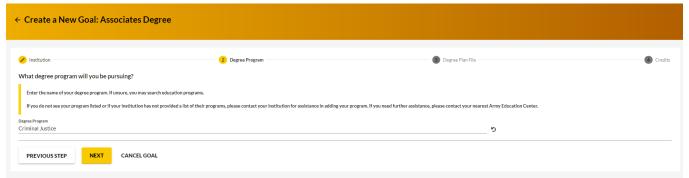

Search for your Current Degree Program

Select your Current Degree Program

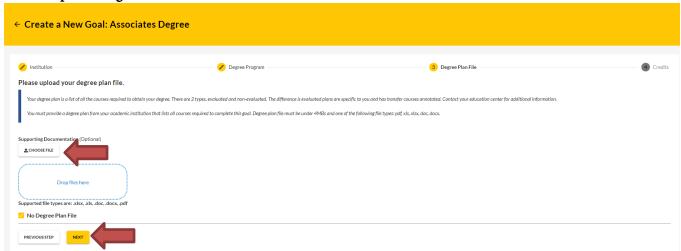

Select "Next"

Now you are all set to upload your Degree Plan from your AMU Academic Plan.

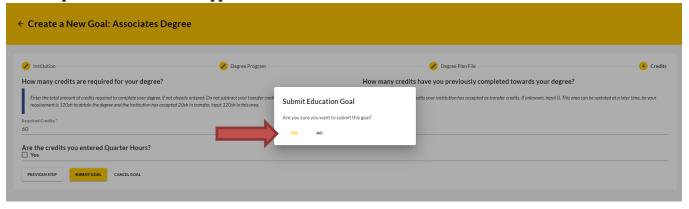

Select "Upload Degree Plan" and select "Next"

Please Note: You can only upload an Evaluated Degree Plan (EDP) during the Education Goal creation. After completing 2 courses, the EDP will be required before you can continue to request TA. If you are experiencing issues with uploading the EDP or if you wait to upload the EDP, you will need to contact your Army Education Counselor for further assistance.

Step Three: Create an ArmyIgnitED Tuition Assistance Request

Once your Education Goal has been approved by the Army Education Counselor, it is time to create a Tuition Assistance Request (TAR)! Please note, when you enroll in a course with AMU that you would like to use TA funding to cover, you must select Military TA as the primary payment type. Please be sure to complete your registration for the course at AMU prior to submitting a TAR, as the registration confirmation page for your course(s) will contain all the necessary information you will need to successfully complete a TAR. Please note, only courses that are within the 60-day TA request window will be eligible to request TA. Please remember to return to ArmyIgnitED once you are within this window to complete your TA request. **Please Note:** if more than 6 semester hours are requested on the same TAR, the request will require Army Education Counselor approval.

As a reminder, your military status on your student profile at AMU must indicate that you are a current US Military member, and your branch of service must reflect US Army to seamlessly process your TAR.

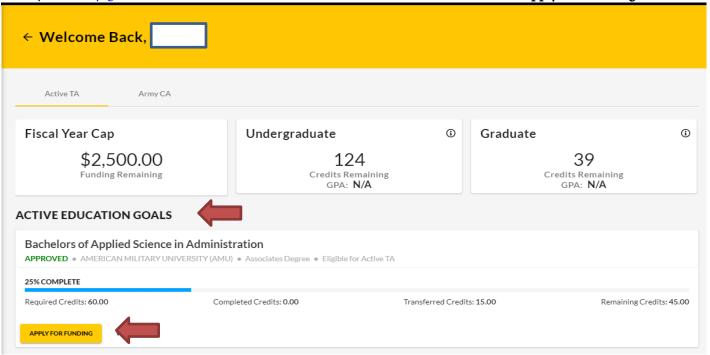

Important Notes:

- Submitting a Tuition Assistance request does not enroll you in the course. You must register for the course at AMU.
- Soldiers must apply for tuition assistance (TA) in the system 60 to 7 days prior to the class start date.
- All TA must be approved prior to the start date of the course.
- Soldiers will be solely responsible for all tuition costs without TA approval.
- A Soldier may pre-register for a course to secure a slot.
- TA is approved on a course-by-course basis and only for the specific course(s) and class dates that a Soldier requests.
- If the Army has not approved the funding, then the Soldier will be solely responsible for all tuition costs.

American Public University System

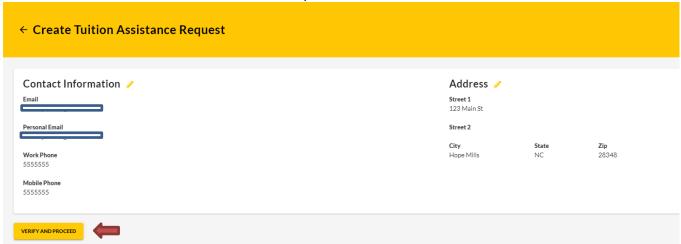

After your TA approval is submitted to AMU, the TA will be reviewed, and course access granted if there are no further issues with the TA request. Please note, all TA requests must be submitted for approval in ArmyIgnitED at least 7 days prior to the course start date. The deadline for AMU to receive and process your TA Authorization will be the Friday of your course start week at 4:30 PM EST. Below are some screenshots from the system that shows the progress of enrollments in ArmyIgnitED.

From your ArmyIgnitED Dashboard, locate "Active Education Goals" and then select "Apply for Funding":

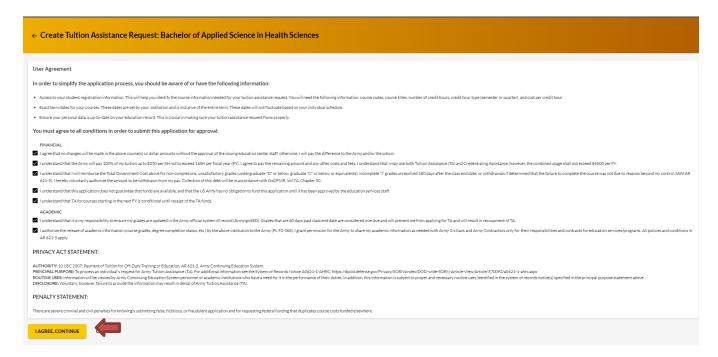

Verify "Contact Information":

- If information needs to be updated, select 'yellow pencil icon' next to the designated area.
- If all information is correct, click 'Verify and Proceed'

Step Four: Viewing an ArmyIgnitED Tuition Assistance Request

Once TA Request has been submitted for review, you can check on the status of your TA Requests in the <u>ArmyIgnitED</u> Portal. Please review the following steps to access your submitted TAR's.

Click on 'Tuition Assistance Requests':

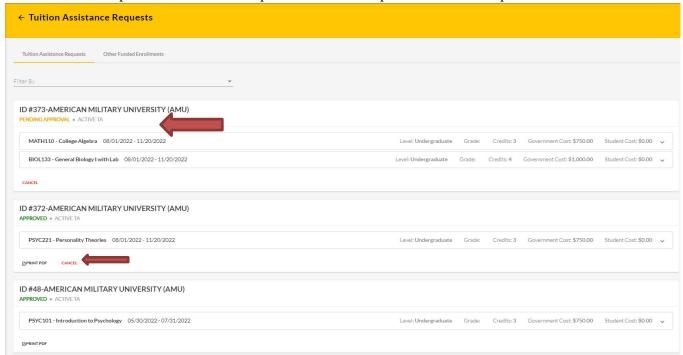

American Public University System

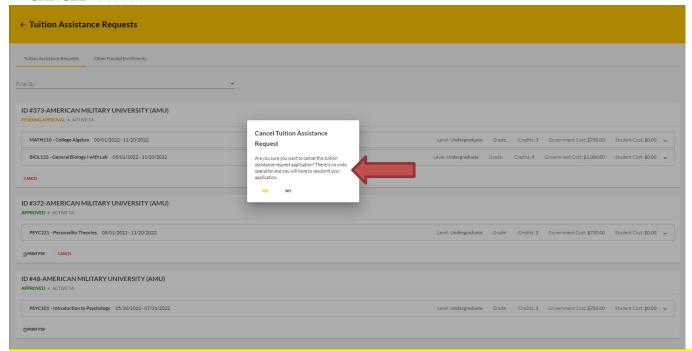

If TA has been approved, then 'APPROVED' will be listed under the course.

If TA is still in a pending status, then 'PENDING APPROVAL' will be listed under the course.

You also have the option to 'cancel' TA Request as well as view/print PDF of TA Request Form:

IF **'CANCEL'** is selected:

Please Note: Once 'YES' is selected, the operation CANNOT be undone. A resubmission would need to be completed.

Withdrawing ArmyIgnitED Tuition Assistance Request

When completing a withdrawal of a course, please keep in mind that AMU is the system of record for ensuring your course is dropped or withdrawn on a specific date. All course changes will need to occur from within the AMU eCampus homepage. Please note, all drops that occur before or during Week One of your course start will not be invoiced to the military. A 100% refund will be issued for any tuition and fees (less a late registration fee) for courses dropped prior to the end of Week One.

When you complete a drop of a course at AMU within or prior to the end of the first week of class, you should return to the ArmyIgnitED portal and complete a cancellation of the approved TA that you are no longer utilizing. This will allow your Fiscal Year funds to become re-allocated to be used for a future course.

Refunds After Week One

Refunds for academic credit courses are based on the weekly schedule of your course session. You should use the tables below to find your potential refund amount based on the session length of your course and in which week of the course session you submitted your online withdrawal request form.

Students should allow 30 days for the processing of tuition refunds. Depending on the original payment method, refunds may not be issued if there is a past due balance on the account. In some cases, credits may instead be applied to the open balance.

Military Tuition Assistance Tuition Refund Policy: 16-Week Courses

Withdrawal Request Date	Tuition Refund Percentage
Before or During Weeks 1 and 2	100%
During Weeks 3 and 4	75%
During Weeks 5 through 8	50%
During Weeks 9 through 10	40%
During Weeks 11through 16	No Refund

Military Tuition Assistance Tuition Refund Policy: 8-Week Courses

Withdrawal Request Date	Tuition Refund Percentage
Before or During Week 1	100%
During Week 2	75%
During Weeks 3 and 4	50%
During Week 5	40%
During Weeks 6 through 8	No Refund

The Department of Defense requires the University to return any unearned Military Tuition Assistance (TA) funds to the Department should a service member withdraw from a course that was paid for using TA. If a service member withdraws from any course on or before the 60% completion date (during week 5 for an 8-week course and during week 9/10 for a 16-week course), a prorated refund will be issued back to the Department for the TA funds that were provided. The schedules above determine the prorated amount of TA funds refunded to the Department based on the date of service member's withdrawal from a course. For example, if a service member withdraws from a course at the 60% mark (during week 5 for an 8-week course and during week 9/10 for a 16-week course), 40% of TA funds used for the course will be returned to the Department. In instances when a service member stops attending due to a documented military service obligation, the University will work with the affected service member to identify solutions that may not result in a student debt to the University for the portion of TA funds returned to the Department.

Frequently Asked Questions

1. What is ArmyIgnitED?

The Army's platform through which the student selects and uploads their education goal and degree plan and requests financial assistance. This will be the platform for which Army students will select TA (tuition assistance) and/or CA (credentialing assistance).

2. Does an Army student have to have an account in ArmyIgnitED?

Yes. Students must create an account following the set-up instructions provided in this document.

Where can students go to create an account in ArmyIgnitED?

a. https://www.armyignited.army.mil/

What email address should soldier's use?

a. Soldiers should use their .mil email address per the Army training guides. The system will send an email, and Soldier's must confirm to finalize the account creation. Soldiers should follow the instructions in the email to complete the account creation.

What if I had an account in ArmyIgnitED 1.0; do I have to create an account in the new ArmyIgnitED?

Yes, every soldier must create a new account in ArmyIgnitED, even if you were a ArmyIgnitED 1.0 user. A specific user ID will be assigned to all students, which will be different than the previous ID.

6. Does a soldier have to select AMU in ArmyIgnitED as their home school?

After a student creates their account in ArmyIgnitED, they must create an education goal, and within that process, they will need to identify American Military University (AMU) as their home school.

7. What is the education goal?

This how soldiers identify their educational goals by selecting their academic program, education institution, updating their personal information and contact information. Please note, you will need to download a copy of your Degree Plan document from your My Academic Plan page in your AMU eCampus. This form will need to be uploaded to ArmyIgnitED.

8. How does the soldier information get from ArmyIgnitED to AMU?

Once a student's education goal is approved, students will then be able to request TA for courses. The Army will send TA approval information to AMU daily, which will be reviewed and processed.

Does a soldier register for their courses in ArmyIgnitED?

a. No, soldier's will only register for courses in their AMU eCampus.

10. When can a soldier register?

a. New students can register for up to 6sh after they are admitted; they will need an approved education goal and an Evaluated Degree Plan (EDP) on file before they can register for more courses. Existing students can register once their EDP file is in ArmyIgnitED.

11. How will a soldier drop or withdrawal from a course?

a. Soldier's will submit the drop or withdrawal form in their AMU eCampus.

12. How will a soldier's grades be reported?

a. A grade file will be sent from AMU to the Army, and the students on the file will have their grades updated.

13. What if a soldier has a grade changed? How will that be reported?

a. Grade changes will be updated by the Military Registrations team. Please email military@apus.edu if your course end grade is changed on your AMU account so that the Military Registrations team can update your final grade on your ArmyIgnitED 2.0 account.

14. What if a soldier is on a course extension? How will that be reported?

a. Soldiers on extension will be reported on the grade file. After that, the Military Registrations team will update "I" grades weekly.

15. If a soldier is new to AMU and ArmyIgnitED, which account should be completed first?

It is recommended that the soldier start at AMU because your AMU school ID # is needed to complete your ArmyIgnitED account, your AMU should be completed first.
