Note: You must answer "yes" to all questions in section A to be eligible to participate in the APUS PLA program. If you respond "yes" to questions in sections B and C, you are likely a good candidate for PLA.

Email <u>PLA@apus.edu</u> with your student ID and answer to your challenge question or your last four for more information and an application. Please note that all learners must be pre-approved to participate in PLA. PLA credit award is based on demonstration of mastery of learning outcomes through experiential learning, NOT on years of service or level of experience in a field.
