

Attachment to the Articulation Agreement/ Memorandum of Understanding between President, APUS (AMU-APU) and Commander, 17th Training Group at Goodfellow AFB, TX

NOTES:

- Any student completing the courses listed below will be eligible to receive transfer credit. If the course listed is not included in the students chosen degree program, the credit will be granted toward elective credit requirements.
- Elective credit award cannot exceed the maximum allowed for the chosen APUS degree program. For example: if the degree program includes 30 semester hours of elective credit, and the student has completed Imagery Analysis Apprentice **X8ABR1N131 0A8B** which has been evaluated at 48 semester hours, only 30 semester hours can be applied to the degree.
- If a student in an Intelligence program transfers credit from CCAF for courses that apply to his/her major, credit will be applied to the specific course first, the remaining credit will be applied as elective credit to the extent allowed by the chosen APUS degree program.
- This agreement only applies to students who are admitted to APUS after the effective date of the agreement, or who are current APUS students who complete the training listed after the effective date of the agreement. All other students fall under the normal transfer credit policies that were in place at the time of their admission to APUS.
